

SUPPLEMENTARY DISCLOSURES TO THE CONSOLIDATED FINANCIAL INFORMATION

At 31 December 2020

COVID-19 pandemic has spread across various geographies globally, causing disruption to business and economic activities. COVID-19 has brought about uncertainties in the global economic environment. Global equity and commodity markets, in particular the hydrocarbon sector, experienced significant volatility. The estimation uncertainty is associated with extent and duration of the economic downturn. This includes the volatility in capital market, deterioration of credit quality of financial assets and escalating the liquidity management challenges. In this regards, the Group has undertaken various initiatives to ensure the protection of its human capital along-with uninterrupted supply of services to our customer base. Further, the strict prudential practices were followed to maintain sufficient liquidity levels and mitigate the possible impacts on assets base of the Bank. Further, the Group is actively monitoring the progress and impacts of such outbreak on its operations like possible loss of revenues, ECL, onerous contract etc.

The fiscal and monetary authorities, both domestic and international, have announced various support measures across the globe to counter possible adverse implications and offset such slowdown in economies. More specifically, the Central Bank of Bahrain and government has introduced following fiscal stimulus package:

- Payment holiday for 6 months to eligible customers free of any additional profit;
- Concessionary REPO to eligible banks free of cost or zero percent profit rate;
- Reduction of cash reserve ratio as 5% to 3% of subjective liabilities;
- Reduction of liquidity coverage ratio (LCR) and net stable funding ratio (NSFR) ratio from 100% to 80%;
- Allowing to addback any additional impact on "Owners' Equity", from modification loss and ECL net of any subsidy/ grant, to equity for the determination of capital adequacy ratio during the financial year 2020 and 2021. Thereafter, such amount will be amortized over period of three year on an equal basis.
- Support provided to local business in the form of subsidy in utility bills and staff salaries for a period of three months.
